THE SCIENCE BEHIND THE PRODUCTS Bio-cellulose is a pure, plant-based material derived from coconut water. Its interlocking fibers form a highly absorbent, three-dimensional “fabric,” allowing the mask to be generously infused with a complex of beneficial ingredients. This complex includes oat kernel extract, orchid extract and sodium hyaluronate, known for its skin-conditioning benefits. This flexible material also gives the TimeWise Repair® Lifting BioCellulose Mask a unique, face-hugging fit, keeping skin in close contact with the complex during 20 to 30 minutes of pampering “me” time. FIGHTS ADVANCED SIGNS OF AGING After two weeks of use,* a majority of women agreed: ☐ Skin looks lifted and firmed. ☐ Skin is younger-looking. ☐ Skin appears more luminous. And after four weeks of use,* a majority of women agreed: ☐ The appearance of fine lines and wrinkles is reduced

The Lash Love Fanorama® Mascara creates a fully fanned-out look for panoramic lashes. Featuring fanfavorite Lash Love® formula with an all-new, innovative brush, Lash Love Fanorama® is designed to give every lash some love! This all-new, innovative brush works from corner to corner and root to tip to bring even your littlest lashes out of hiding. Rows of supersoft silicone bristles, stabilized by an inner core, power the brush's three unique application zones, allowing you to coat, comb and fan out for panoramic lashes of your own. Coat: Use the hourglass-shaped bristles to coat the lashes with the perfect amount of pigment-rich formula. • Special zigzag bristles help coat lashes with optimum amount of mascara evenly and gently. Comb: Flip to the side with rounded bristles, and comb formula through every lash. • Staggered rows on curved side aid in combing and pushing mascara into the lashes. Fan Out: Finish with the special fan tip. Grab ahold of pesky, hard-to-reach lashes, and fan them in desired direction, perfectly placing individual lashes. You'll Want to Try Lash Love Fanorama® Mascara If: • You want the look of fanned-out, panoramic lashes. • You already use Lash Love® Mascara or Lash Love® Lengthening Mascara. Formula Attributes: • Ophthalmologist-tested. • Fragrance-free. • Suitable for contact lens wearers. • Suitable for sensitive eyes. Use-Up Rate: After opening, mascara should be replaced every three to four months to promote optimum product performance and to help ensure mascara is free from harmful bacteria.
