From the Director's Chair

Dear Super Star,

Wow! This is a month to get excited about! Mary Kay is pulling out all the stops to make this one of our most successful months yet. Not only do we have some amazing new products that make booking and selling a

breeze, but they want to empower us to change women's lives by offering the career opportunity FOR only \$20 estart this month OR only \$90 for the showcase & estart that comes with a bunch of extra perks. Also, it is again a DOUBLE CREDIT MONTH :-)) So 3 new team members = 6 & a \$600 order = \$1200 Yippeeeee

We will be having a Quarterly Workshop in January. The tracking sheets are in this Newsletter. More info to come but you can print off the tracking sheets & get tracking :-)

Don't forget about my Holiday Open House Thursday, November 3rd - Sunday, November 6th where you can either visit in person or schedule a one-on-one zoom to learn about all the holiday products & see gifts & specials you can utilize with your customers. Let me know if you'd like to schedule a Holiday learning session.

October is a fabulous month to begin a Mary Kay career. Holiday gifts are on everyone's mind, fall makeovers are a great way to feel fabulous this season, and who doesn't love shopping at 50% off? Mary Kay has even fine-tuned our best sellers into the Business Debut Assortment for new team members! If you haven't personally tried all those products on the list, now is a great time to do so. It's easy to sell the products you love, and there is a reason they are our best sellers! Our October Start Up Promotions help new consultants seal the deal and decide now is the time! The goal is to help them start their business quickly and easily experience wins right from the start. Our goal is to help everyone develop strong teams and a strong unit. If you'd like to build your team, call me today and we'll strategize to help you build your business and achieve your goals. Maybe you'd like to join me at Leadership in Nashville as a DIQ!

Fall brings a lot of change into our lives. From ever-changing holiday schedules, weather, and daylight hours, it seems that each day can bring its own adventure. I encourage you to utilize your Six Most Important Things list each day this month. Rather than be swept away by life as the falling leaves are, choose where you want to focus your time and intentions each day. You can make your dreams come true with focus and determination. I believe we can choose to make a change. If you need any help or ideas, I'm just a call or text away. I believe in you. I believe that we wake up each morning with a new opportunity to design our lives in the way we choose. Let's make this month one of our best months yet & all of us ROCKTOBER!!

Love and Belief, Kathleen

THE NUMBERS DON'T LIE!

A big part of our business is dependent on HOW MANY CONTACTS we make (close together)... It's easy to TRICK ourselves into thinking we are doing MORE than we actually are when it comes to putting forth ENOUGH EFFORT.

I challenge every one of you to contact just 10 people a day—yes or no—for ONE WEEK. Just dial enough numbers each day (throughout the day in small timeslots if necessary....or all at one sitting) to CONTACT 10 people a day, and JUST ASK for the facial, class, or interview.
Will you TRICK yourself by procrastinating and putting things off OR TREAT yourself to amazing results by investing time into your business consistently? By: NSD Tammy Crayk
